

GENERATION FARADAY BAG USAGE & CARE POLICY

GENERAL FORM

● Overview and Purpose

To foster a focused learning environment, our school has partnered with Generation Faraday™ to implement a structured phone management system. Students will store their phones using Generation Faraday bags, which are designed to secure devices while allowing students to maintain possession of them or store them in designated areas. These bags are school property and are provided to minimize distractions and support student success. The school may use a monitoring app to track each bag's serial number and reinforce responsible phone use.

Application of Phone Restriction Policy

This policy applies to:

- ☐ All students (universal)
- ☐ Specific students as a disciplinary measure (tiered use)
- ☐ Other: _____

Phone Restriction Method

Phones will be managed using the following method:

- ☐ Students will store phones in Generation Faraday™ bags
- ☐ Students will turn in their phones to a central storage system
- ☐ Other: _____
